

FIA WORLD ENDURANCE CHAMPIONSHIP
Round 5 – 6 Hours of Mexico
2017 August 31 to September 3

From The Stewards of the Meeting
To The Manufacturer Representative Michelin

Decision N° 5

The Stewards, having received a report (N°05) from the Technical Delegate, have considered the following matter, determine a breach of the regulations has been committed by the manufacturer named below and thus impose the penalty referred to.

Manufacturer: MICHELIN**Date / Time** 03-09-2017 9:45 a.m.**POSTED**
at: 10 h 59 m**Facts** The manufacturer reported that it was unable to provide the required control tyre for Car LMGTE Pro Porsche #91 as the tyre had damage during the mounting**Offence** Breach of Art. 7.7 of the Sporting Regulations**Penalty** 5000€ Fine suspended pending compliance with Art. 7.7 during the 2017 season.

Reason The Manufacturer Michelin was summoned and granted a hearing. In application of Art 7.7.1.c of the FIA WEC Sporting Regulations, Endurance Committee Decision 17-D0013-LMGTE PRO requires the Tyre Manufacturers to maintain control tyres from the declared tyre types to be used at designated Races throughout the season. The Manufacturer's representative stated that one of the tyres for Car 91 was damaged during the mounting process and was unusable. The Stewards found that as the car could only be fitted with one of the required control tyres, this was a breach of the regulation, and while the Stewards accepted that this was an accident, they determined that these special control tyres required special care. In the enforcement of Art 7.7 the tyre manufacturers are treated as competitors, and therefore the Stewards ordered a suspended fine.

The Competitor/Manufacture is reminded of his right of Appeal under and in compliance with Art. 4.11.2 b of the WEC Sporting Regulations and Art.10 of the Judicial and Disciplinary Rules of the FIA.
