**Decision** The competitor made a request to the Stewards following an incident on their first flying lap in FP1. The Stewards determined that the incident was a case of force majeure and that the competitor had no opportunity to avoid the contact with another car. The Stewards confirmed with the Technical Delegate that the tyres were new and damaged irreparably.

Therefore the Stewards decide to allow to the competitor to use an additional set of tyres (4) of identical specification for Free Practice 3.
