Facts See Technical Delegates report Nr. 6 – the minimum ground clearance was measured at 48 mm
Offence Breach of Art. 205 of the Technical Regulations (2018) for LMGTE for cars homologated after 2016

2) The Stewards order that the Classification be amended so that the other competitors be moved up in the Classification in accordance with Art. 12.18 of the ISC
3) Any awards or prizes should be returned to the organizer and issued to the competitors moved up in the classification

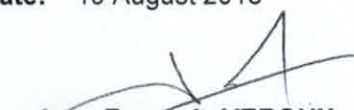

Reason: The minimum ground clearance on the car following the race was measured at 48 mm instead of the required minimum of 50 mm. The competitor confirmed that they had witnessed the measurement and did not contest the Technical Delegates' findings.

While the competitor explained that they had suffered extreme tyre wear, the stewards considered that the regulations states that they must meet the minimum ground clearance at all times and therefore ordered the competitor disqualified.

The Competitor is reminded of his right of Appeal in accordance with Article 15 of the FIA International Sporting Code and Article 19.1.1 of the FIA Judicial and Disciplinary Rules.
