The Stewards, having received a request from the Competitor to start the race even if they were not able to participate in qualifying session due to a technical problem., explaining that due to technical problems in FP3 and not having enough time to fix this problem, the car couldn't participate in qualifying, have considered the following matter, determine to allow the participation in the race starting from the pits.

**Competitor** Team Project 1  
**Time** Qualifying session  
**Facts** Car didn't participate in Qualifying session
