**Subject: WITHDRAWAL OF CAR #56 FROM THE EVENT FIAWEC SPA6H**

**Attached files:** NONE

Dear Stewards of the Meeting

Ladies and gentlemen

To whom it may concern.

I have to announce the withdrawal of car #56 from the event due to safety reasons. During the Qualifying session Egidio Perfetti lost control of the car and hit the barrier at Raidillon. The damage of the shell structure on the rear left is severe and not repairable.

Please take note.

Yours sincerely,
