From The Stewards of the Meeting

Decision N° 107

To 21 - DRAGONSPEED USA

PROTEST DECISION

The Stewards, having received a protest from the Competitor named below have considered the matter, and have come to the decision below.

The Stewards heard from the Competitor at 17:30 on Friday the 20th of August, 2021 in the presence of the Technical Delegates. The Stewards first heard evidence on the admissibility of the protest. It became clear that the Competitor had not intended to file a "Protest" as defined in the International Sporting Code (Art. 13), but rather was looking to change his engine and was looking to provide evidence to support that change.

This matter is not admissible and has been referred to the Technical Delegates to assist. As the protest was not well founded the protest fee is retained.

The Competitor is reminded of his right of Appeal under and in compliance with Art. 16.1.6 of 24 Hours of Le Mans Supplementary Regulations, Article 15 of the International Sporting Code, and Art. 9.1.1 of the FIA Judicial and Disciplinary Rules.
