

## NOTE FROM THE TECHNICAL DELEGATES

**From:** The Technical Delegates

**Note N° 01**

**To:** The Competitors

---

### **EVENT : WEC – 6 HOURS OF FUJI 2022**

For the safe conduct of the Event, any Competitor who's pit stop position has an overhang above it which prevents use of the full 3.00m refueling system vent, must report this to the Technical Delegate who will then direct them to use an alternate vent. In any case the Competitors must respect the minimum refueling time.
