Decision No. 36

From: The Stewards**Date:**

1 March 2024

To: HERTZ TEAM JOTA**Time (decision):**21:43 h

The Stewards, having received a report from the Race Director, have considered the following matter.

N° / Competitor 12 / HERTZ TEAM JOTA**Session:** Qualifying**Fact:** Team personnel of car 12 removed the tyres in the garage**Offence:** alleged breach of Article 10.2.5 of WEC Sporting Regulations**Decision:** No further action**Reason:**

The stewards, having considered the matter extensively, determined that the team personnel of car 12 removed the tyres in the garage after Parc Fermé was opened by the race director. They brought the car to the working area without tyres and then mounted hyperpole tyres.

Following the WEC Committee decision n°26, the tyres must only be fitted when the car is in the working area. From this standpoint, the competitor complies with it. As no regulatory provisions forbid to remove tyres in the garage when parc fermé is opened, the stewards determined that no further action was necessary.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
