**Decision no. 3**

**From:** The Stewards  
**To:** PROTON COMPETITION

**Date:** 25 February 2025  
**Time:** 21:06

The Stewards, having received a report from the Technical Delegate, have considered the following matter :

**N° / Competitor:** 99 / PROTON COMPETITION  
**Session:** After initial scrutineering  
**Time (fact):** 19:00  
**Fact:** Some external equipment from car 99 did not fulfill the initial scrutineering requirements  
**Offence:** 5.2.1 of WEC Sporting Regulations  
**Decision:** The competitor must be rechecked by the technical scrutineers before taking part to any session of the event.

**Reason:**

The technical delegate reported to the stewards that some external equipment from the competitor did not fulfill the initial scrutineering requirements on time, which are mandatory to be allowed to take part in any session of the competition. The competitor must therefore be rechecked by the technical scrutineers before taking part to any session of the event.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
