

FIA World Endurance Championship
Round 2 – 6 Hours of Imola
2025 April 18th - 20th

Decision no. 1

From: The Stewards
To: PORSCHE PENSKE MOTORSPORT

Date: 17 April 2025
Time: 18:20

N° / Driver: 6 / Kévin ESTRE
Competitor: PORSCHE PENSKE MOTORSPORT
Session: Before the start of FP1

Article : 11.9.1 of FIA International Sporting Code

Decision : The driver Kevin Estre is allowed to take part in the Competition wearing a medical device.

Reason : The Porsche Penske Motorsport Team has requested that the Technical Delegates allow driver Mr. Kevin Estre to take part in the Competition wearing a medical device. The FIA Safety Director, having also been consulted, stated in a note addressed to the Stewards on 16 April 2025 that the driver may participate in the Competition, subject to compliance with the conditions set out in the aforementioned note.

The Stewards heard the Team Manager and the driver Kevin Estre and informed them of the content of the aforementioned note, which the driver acknowledged, signed and committed to respect.

Consequently subject to the above mentioned conditions, the Stewards allow the driver Kevin Estre to take part in the Competition wearing a medical device.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
