## APPLICABLE REGULATION

2025 FIA World Endurance Championship Sporting Regulations

## DECISION

From the Imola Competition, the FIA WEC Promotor will organize a promotional track activity called "Drive The Legend" with the participation of the Manufacturers.

Drive The Legend is to be considered as a promotional obligation for Competitors as defined in Article 4.1.5 of the Sporting Regulations.

The promotor will be allowed to request any Manufacturer to participate, with a car of the brand, in the promotional track activity that will be organized as follows:

### 1) Organization

- 1h30 of track activity during the day of Free Practice 1.
  - The car will be driven for a maximum of 4 laps on track.
  - The rest of the time slot will be used for photo or video shooting on track.
- 3 staff from the Manufacturer will be allowed on the circuit in order to run the track activity:
  - The 3 people will have a specific accreditation delivered by the Promotor
  - The 3 people must be declared by the Manufacturer to the Promotor and the ACO/FIA.

### 2) The car

- Rain tyres only may be used for running the activity.
- The car used for the track activity will not be the race car entering the Competition.
- The car used for the track activity will be stored in a dedicated space, defined by the Promotor in agreement with the ACO/FIA.
- The Promotor will organize the load-in and the load-out of the car on each circuit in collaboration with the Manufacturer and the ACO/FIA.
- Once the car is at the circuit, access to the car will be under the permission of the Promotor and the ACO/FIA.
