

FIA World Endurance Championship

Decision no. 39

From: The Stewards
To: INTER EUROPOL COMPETITION

Date: 8 June 2025
Time: 18:18

The Stewards, having received a report from the Race Director, having checked the video evidence and heard the team manager, determined a breach of the regulations has been committed by the competitor named below and impose the penalty referred to.

N° / Competitor: 43 / INTER EUROPOL COMPETITION
Session: FP2 - Test day
Time (fact): 16:21
Fact: Pit stop infringement
Offence: 12.2.2 a) of WEC Sporting Regulations
Decision: Fine of 1500 €

Reason:

After reviewing the video evidence, summoning and hearing the Team Manager, the Stewards determined that Car 43 initially entered and stopped correctly in its working area. However, the car was then improperly repositioned, and the driver exited the car. At a later stage, the team placed the car at a 90-degree angle, as if intending to bring it back into the garage, but continued working on it in that position instead. Finally, the car was moved fully into the garage.

This sequence of actions constitutes multiple breaches of pit lane regulations during an atypical pit stop, justifying the decision taken by the Stewards.
