The Stewards received a report from the Technical Delegate indicating that a transponder issue affected only these cars mentioned above at the beginning of the session. This issue was quickly resolved but had an impact on the data used for Decisions 2, 6, and 13.

The report also mentioned a GPS malfunction, also resolved early in the session, which affected the data used for Decisions 1, 3, and 4.

Having considered the matter in detail, the Stewards have decided to cancel Decisions 1, 2, 3, 4, 6, and 13 concerning the drivers mentioned above.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
