

**FIA World Endurance Championship**  
**Round 4 – 24 Hours of Le Mans**  
**2025 June 07<sup>th</sup> - 15<sup>th</sup>**

**Decision no. 206**

**From:** The Stewards  
**To:** BMW M TEAM WRT

**Date:** 15 June 2025  
**Time:** 14:02

The Stewards, having received a report from the Race Director, having checked the video evidence, determined a breach of the regulations has been committed by the competitor named below and impose the penalty referred to.

**N° / Competitor:** 15 / BMW M TEAM WRT  
**Session:** Race  
**Time (fact):** 12:31  
**Fact:** Pit stop infringement  
**Offence:** Alleged breach of Article 12.2.1 of 24 Hours Le Mans Supplementary Regulations  
**Decision:** No further action.

**Reason:**

After examining the report from the Race Director, reviewing the video evidence, and heard the Team Manager, the Stewards determined that a mechanic intervened on the car to remove a tear-off, which is not included in the operations permitted during an emergency pit stop.

However, the Stewards considered the intervention necessary for safety reasons and noted that the car did not gain any sporting advantage as a result.

Having considered the matter extensively, the Stewards decided to take no further action.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
