

FIA World Endurance Championship
Round 7 - 6 Hours of Fuji
2025 September 25th - 28th

Decision no. 82

From: The Stewards
To: PEUGEOT TOTALENERGIES

Date: 28 September 2025
Time: 23:24

The Stewards, having received a report from the Race Director, having summoned and heard the Team manager and having checked the video evidence, have considered the following matter

N° / Competitor: 94 / PEUGEOT TOTALENERGIES
Session: Race
Time (fact): 14:41
Fact: Safety Car procedure infringement.
Offence: Article 14.6.2 of FIA WEC Sporting Regulations
Decision: Drive through

Reason:

Having heard the team representative, reviewed the video evidence, and analysed the telemetry data, the Stewards determined the following:

During the Safety Car period, Car 94 overtook the Safety Car without any instruction or authorisation from the Race Director.

Having considered the matter extensively and taking into account the exceptional circumstances presented by the Competitor, the Stewards remind that, regardless of the circumstances, it is forbidden to overtake the Safety Car, and that such an action cannot be at the discretion of the Competitor, but only when instructed by the Race Director. Accordingly, the Stewards decided to impose a Drive Through Penalty, converted to a time penalty of 53 seconds.

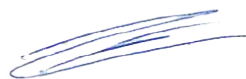

Competitors are reminded that, in accordance with Art. 12.3.4 of the FIA International Sporting Code and Art. 7.4.2 of 2025 WEC Sporting Regulations, this decision is not subject to appeal.
