

FIA World Endurance Championship
Round 2 – 6 Hours of Spa
2026 May 6th - 9th

Decision no. 47

From: The Stewards

Date: 9 May 2026

To: PEUGEOT TOTALENERGIES

Time: 19:17

The Stewards, having received a report from the Pit Lane Delegate (Report n.2) , having checked video evidence, determined a breach of the regulations has been committed by the competitor named below and impose the penalty referred to.

N° / Competitor: 94 / PEUGEOT TOTALENERGIES

Session: Race

Time (fact): 16:53:15

Fact: Car 14 was released whilst the earthing connection was still on the car.

Offence: Breach of Article 12.2.2 e) of WEC Sporting Regulations

Decision: 5 second time penalty to be served at the next pit stop.

Reason:

The driver of car 94 was reported to the Stewards by the Technical Delegate as a Pit official had witnessed that car 94 had started to leave the working area, whilst it was still grounded. This lead to the cable breaking, and the mechanic entering the working area to try to retrieve the ground clamp which was still on the car. The Stewards determine this to be a clear breach of the Sporting Regulations and impose the above stated penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
