- **Derogation from the Stewards for tyre manufacturer (Art 6.5.6 - WEC Sporting Regulations).**

Upon the request of tyre manufacturer Michelin dated 15 September 2026 concerning the WEC Committee's Decision (WEC_2026_D18_ALL_Sporting_Clarifications_Amended Art. 6.5.6), the Stewards, considering the exceptional circumstances, grant a derogation for the tyre manufacturer to recut the wet-weather tyre specification.

This modification is exclusively allowed for the **2026 6 Hours of Fuji Competition** for the **HYPERCAR** category and shall be carried out by the tyre manufacturer.

The derogation is granted on the condition that the tyre manufacturer supplies all cars with the same number of tyres with the same modification (cutting pattern submitted to the ACO/FIA beforehand) at the same time.

- **Derogation from the Stewards for tyre manufacturer (Art 6.5.4 - WEC Sporting Regulations).**

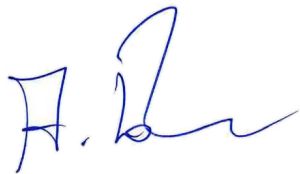

Upon the request of tyre manufacturer Michelin dated 24 September 2026, and in view of the weather forecast, the Stewards grant a derogation allowing the tyre manufacturer to change the tyre specification declared for the **Hyperpole** sessions of the **6 Hours of Fuji** from **MEDIUM** to **SOFT**.
