From: The Stewards
To: All Concerned

Date: 26 September 2026
Time: 15:03

The qualifying and the hyperpole sessions are canceled

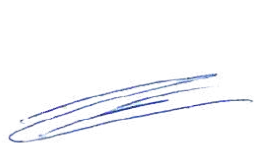

Session: Qualifying and Hyperpole sessions
Time (fact): 14:05
Offence: Article 11.7.3.r of FIA International Sporting Code

Reason:

Following the recommendation of the Race Director and due to the prevailing weather conditions, the Stewards decided to cancel the Qualifying and Hyperpole sessions (LMGT3 and Hypercar) in accordance with Article 11.7.3.r of the FIA International Sporting Code.

As a result, the Stewards applied the provisions of Article 10.2.2 of the WEC Sporting Regulations and established the grid based on the best individual lap time set by each car over the FP1, FP2 and FP3 sessions combined.

Furthermore, Article 5.1.2 of the WEC Sporting Regulations provides Competitors with the possibility to change their nominated starting drivers within 30 minutes after the end of the Hyperpole session. As the Hyperpole session was cancelled, the Stewards decided to grant Competitors a period of 30 minutes from the publication of this decision to officially submit any request to change their nominated starting drivers in accordance with Article 5.1.2.
